

I've Fallen So Far

Another poem I have written.

A Constant Battle

Chapter 1 of 1

Another poem I have written.

A constant battle
rages in my head
between life
and death
Happiness and hate
Joy and sorrow
It's slowly becoming
more unbearable
I've fallen so far
time and time again
and learned nothing
I'm so impure
I will let you down
I will make you hurt
What have I become?
Everyone I know
goes away in the end

or maybe I'm going away

you could have it all

Just help me end this

I will let you down

I will make you hurt

If I could start again

A million miles away

I would save myself

I would find away
