Defective Diagnostics

Chapter 1 of 1

Drabble written for alexajohnson, for a LiveJournal drabble prompt exchange. She requested a Draco/Hermione pairing centered around the keyword ?flu?.

"Draco, why did you bring me here? I thought we were to have a quiet lunch."

"Yes, we were; but a more intimate setting seemed so much more appropriate."

"Besides," he murmured, his moist breath caressing the nape of her neck as he drew closer, "I thought some well overdue time alone would prove... most enjoyable."

"Mm, yes... Oh, wait; I needed to tell you. I went to see my Healer today and I – she – well – oh, God; I'm pregnant!"

"You're – wait, Hermione, you're what? But you performed all those diagnostic spells – I thought you were *positive you only had the flu!*"
