You and I

Chapter 1 of 1

Short drabble of a Dramione pairing.

My One and Only: You & I

Disclaimer: I do not own Harry Potter.

A/N: This is my first. Hope you enjoy it!

At the beginning...

You were mean, cruel and unforgiving, but misunderstood,

You called me names, you hurt my feelings,

Caught between both darkness and light,

You needed help, but had no one to turn to.

I was there; I heard your pain, your confusion, anger, and fear,

I helped you, stayed by your side, stood up for you,

I was there to comfort you,

To be there with you, and only with you.

You were lost and now...

You are found.

And at the end of the day, you say...

"Hermione, I love you!"

And guess what...

'I love you too!!'

The End

P.S. Please tell me what you think.
