Kisses to Aery for the beta.

Fearsome yowls and hisses echoed through the corridors of Hogwarts. They were answered by wails of feline terror.

Argus Filch poked his head out of his chambers to be faced with an irate Headmistress who silently presented him with a ruffled Mrs. Norris and left in a huff, ignoring his questions.

The next morning, Minerva stopped by the hospital wing for a chat with Madam Pomfrey.

"Have you anything to cure itching, Poppy?"

"I have several things, what is wrong, Minerva? Have you been around a student with Dragon Pox?"

"No. That blasted Mrs. Norris has given me fleas!"
