"Harry, don't forget that new law went into effect today."

"Sweet Merlin, Ginny, I feel ridiculous, and I'm sure Remus and Sirius will too!"

"Maybe so, but I still feel stupid!" grumbled Harry.

"Just go, will you?"

"Yeah, yeah, come here, Moony, c'mon, Padfoot, let's go."

Harry bent down and snapped on the leashes, cursing Ottery St. Catchpole's new leash law under his breath before leading his charges out for a walk under the full moon.
