It's Too Early

Chapter 1 of 1

Severus breaks down and begs, in 100 words, for what he wants most in the morning...

Severus really hated to do this, but there was no denying his wife was in control of this one little aspect of their marriage. So he begged.

"Please?"

"No."

"Please, Hermione?"

"No."

"My love, my sweet—"

"—Don't try to butter me up! You're not getting any!"

"But I *want* it!" he ground out.

"It's too early in the morning for it!" she retorted.

"But I really, *really* want it!"

"This is something that should be saved for the evening—if ever. It's disgusting, if you ask me!"

"I didn't—and I still want catsup on my scrambled eggs!"
