An answer to the Podcast Filk Challenge using "Gold" by Spandau Ballet

A/N: My most sincere apologies to Spandau Ballet for the treatment I have given their song "Gold". I do not own the song or any of the Potterverse. If I did, I wouldn't be trashing either of them like I have!

Vold

Yes I have returned home

After being banished by that Potter brat

I never could have planned for that

After a rebirthing potion

Complete with Wormtail's hand

In front of you all I stand

Now bow down to me, bow down to me

I sneer as I watch my Death Eaters fall

Their obeisance has left me standing so tall, all

Vold (Vold)

With Horcruxes guarding my soul

I've got the power to show

I'm indestructible

You'd better believe me, 'cause I'm

Vold (Vold)

With an *Imperio* so you do as I please

Or a *Crucio* to drive you to your knees

I'm indestructible, always believe me

Now Dumbledore is gone

It's time to bring about Potter's end

And make sure you kill his Mudblood friend

In a few months from now

The world will be a much better place

With a pure-blood wizarding race

They'll bow down to me, they'll bow down to me

Can't wait 'til the Mudbloods and blood traitors fall

And I'll be left standing so tall, all

Vold (Vold)

With Horcruxes guarding my soul

I've got the power to show

I'm indestructible

You'd better believe me, 'cause I'm

Vold (Vold)

With an *Imperio* so you do as I please

Or a *Crucio* to drive you to your knees

I'm indestructible, always believe me

Can't wait 'til the Mudbloods and blood traitors fall

And I'll be left standing so tall, all

Vold (Vold)

With Horcruxes guarding my soul

I've got the power to show

I'm indestructable

You'd better believe me, 'cause I'm

Vold (Vold)

With an *Imperio* so you do as I please

Or a *Crucio* to drive you to your knees

I'm indestructible, always believe me

A/N: Thanks to my dear friend Tami for beta-ing for me.
