Response to Pod Filk Challenge, using Bohemian Rhapsody as a base.

## Hogwarts Rhapsody

*Chapter 1 of 1*

Response to Pod Filk Challenge, using Bohemian Rhapsody as a base.

A simple first filk, using Bohemian Rhapsody by Queen as a base. Although I own neither Harry Potter or any of the universe nor Bohemian Rhapsody or any of Queen, I hope you enjoy this.

---

Is this the real life-

Is this just fantasy-

Up on my broomstick-

My escape from reality-

Open your eyes-

Look up to the skies and see-

I'm just a Seeker, I need no sympathy-

Because it's Chaser here, Keeper there,

Seeker high, Beater low

Anyway the game goes, doesn't really matter to me,

To me

Ginny, just killed a man,

Put my wand to his head

Spoke the words, now he's dead

Ginny, school had just ended

But now I've gone and thrown it all away-  
Ginny, ooo,  
Didn't mean to make you cry-  
If I can't come back this time tomorrow-  
Finish it, finish it or nothing really matters-  
Too soon, my time has come,  
Sends shivers down my spine-  
Body's aching all the time,  
Goodbye, everybody- I've got to go-  
Gotta leave you all behind and face the end-  
Remus, ooo  
I don't want to die,  
Sometimes wish I'd never been marked at all-  
I see a little silhouette of a man,  
Voldemort, Voldemort, will you cast the Cruciatus-  
Thunderbolt and serpent- very, very frightening me-  
Hermione. Hermione.  
Hermione. Hermione.  
Hermione Granger- magnifico-  
I'm just a wizard and nobody loves me-  
He's just a wizard from a Muggle family-  
Spare him his life from this monstrosity-  
Lucius, Pettigrew-, will you let me go-  
Morsmordre! No, we will not let you go- Let him go-  
Morsmordre! We will not let you go- Let him go-  
Voldemort! We will not let you go- Let me go-  
Will not let you go- Let me go  
Will not let you go- Let me go  
No, no, no, no, no, no, no  
Oh come on, come on, come on and let me go-  
Voldemort has a spell set aside for me, for me, for me-  
So you think you can kill him and get far away-  
So you think you can find me and leave me to die-  
Oh, Snapey- can't do that to me, Snapey-  
Just gotta take out- just gotta take him outta here-  
Nothing really matters,  
Anyone can see,  
Everything really matters- my friends really matter to me,  
Any way the wind blows...
