Chapter 1 of 1

Be Warned: Village People ahead....

In The Navy.... Hogwarts Style

We're the D.E's

Sung to: In The Navy by The Village People

As always I don't own the music, I don't own the original lyrics and I especially don't own anything JRK has created... That said I do FILK.

We're the D.E's

Where can you cast *Imperio*, scorch the earth with *Crucio*, learn dark curses, scientology?

Where can you begin to make your dreams of domination become a reality?

Where can you learn to hex, play in doors or Quidditch, study dark Herbology?

Sign up for the DL's band or Hex in the grand stand when your team and the Order meet.

With the D.E's, yes, we kill Muggles with great ease

With the D.E's, yes, torture Mudbloods if you please

With the D.E's, come on now, Dark Wizards make a stand.

With the D.E's, Dumbledore he should be banned

With the D.E's, come on, cast *Crucio* across the land.

With the D.E's, come on and kill your fellow, man.

With the D.E's, come on now, Dark Wizards make a stand.

With the D.E's, With the D.E's.

We want you! We want you! We want you as a new DE!

We want you! We want you! We want you as a new DE!

..But ..but.. but I'm afraid of Potter!

.. hey.. hey.. look, Malfoys...

I get real sick even casting AK on the kids!

We want You! - Oh my badness!

We want you! - What am I gonna do Voldie's knee

We want you! We want you!

With the D.E's. With the D.E's... (fade out)
