**Morsmordre** sung to Mamma Mia by ABBA

---

I've been killing for you since the war began

And I made up my mind, it can not come to an end

Look at me now, I cast *Crucio*

I'll show you how, with *Imperio* I take control

There's no kindness within my soul

Just one curse and a new death I do bring

One more curse and they forget everything, *Imperio-oh*

*Morsmordre*, Dark mark in the sky

Hie, Hie, Let's go kill some Muggles

*Morsmordre*, To our Lord we fly

Die, die, my curse it will not miss you

Yes, you'll be broken hearted

Dead, soon our dear departed

Die, Die it is time for you to go?

*Morsmordre*, a Death Eater Call

Die, Die, watching all the Muggles Fall.

I've been sneaky and bad doing deeds just for you

I can't count all the kills I've made to waiting for you

And now you're here, we can kill some more

Muggles shall fear, soon they'll all be gone

You know that we are that strong.

Just one curse and a new death I do bring

One more curse and they forget everything, *Imperio-oh*

*Morsmordre*, Dark mark in the sky

Hie, Hie, Let's go kill some Muggles

*Morsmordre*, To our Lord we fly

Die, die, my curse it will not miss you

Yes, you'll be broken hearted

Dead, soon our dear departed

Die, Die it is time for you to go?

*Morsmordre*, our Lord send the call

Die, Die and split their souls forever.

*Morsmordre*, we come, one and all

Die, Die, Power now and ever.

*Morsmordre*, Dark mark in the sky

Hie, Hie, Let's go kill some Muggles

*Morsmordre*, To our Lord we fly

Die, die, my curse it will not miss you

Yes, you'll be broken hearted

Dead, soon our dear departed

Die, Die it is time for you to go?

*Morsmordre*, a Death Eater Call

Die, Die, watching all the Muggles Fall.
