Chapter 1 of 1

Filk from the song Moonshadow by Cat Stevens.

This is sung to the tune of Moonshadow by Cat Stevens

The speaker is Harry Potter

Big thanks to Michmak who talked me out of using 'Edelweiss' as my song of choice.

I'm being followed by a Death Eater

Death Eater, Death Eater

Leaping and hopping from a Death Eater

Death Eater, Death Eater

And if I cannot block this curse

block this hex, block the verse

Yeah if I cannot block this curse

Hey-e-yayay, hey-e-yay

You'll find me down at St. Mungo's

And if I do not take a stand

Protect the world from a mad man

And if I do not take a stand

Well hey-e-yayay, hey-e-yay

We won't have a world no more
'Cause I'm being followed by a Death Eater
Death Eater, Death Eater
Skipping and jumping from this Death Eater
Death Eater, Death Eater
And if I ever win this war
I won't turn from my course,
No if I ever win this war
Well hey-e-yayay, hey-e-yay
I won't have to fight no more
And when I finish Voldemort
Destroy his Horcrux, though time is short
Yes, when I finish Voldemort
Hey-e-yayay, hey-e-yay
I'm going to start some reforms
Did it take long to find me
I asked that fateful night
Did it take long to find me
And am I gonna last the ni-i-i-ight
I'm being followed by a Death Eater
Death Eater, Death Eater
Scratching and clawing at that Death Eater
Death Eater, Death Eater
Death Eater, Death Eater
Death Eater, Death Eater
