

The Severus sung to Michael Jackson's Thriller.

by JustJeanette

Summary: It would seem I really have a death wish. For your consideration I give you "The Severus", a filking of Michael Jackson's classic: Thriller. As always, I don't own Harry Potter or the song "Thriller" by Michael Jackson but I am a strange individual and this is the result. Nor do I get paid as a song writer and I'm sure you can understand why...

The Severus

Chapter 1 of 1

Summary: It would seem I really have a death wish. For your consideration I give you "The Severus", a filking of Michael Jackson's classic: Thriller. As always, I don't own Harry Potter or the song "Thriller" by Michael Jackson but I am a strange individual and this is the result. Nor do I get paid as a song writer and I'm sure you can understand why...

[1st Verse]

It's close to curfew, and Severus Snape is striding through the dark
He's in the hallways, with a quiet tread he almost stops your heart
You want to scream, but *Silencio* grabs the sound before you make it
You start to freeze as the Severus looks you right between the eyes,
Your heart cries

[Chorus]

Cause this is Severus; Severus Snape
And no one's going save you from the points he's going to take
You know it's Severus; Severus Snape
You'll be scrubbing all your life inside a dungeon; a cauldron; tonight

[2nd Verse]

You hear his soft stride and realise that there is no where you can hide

You feel his cold stare and menace as he approaches from the side

You close your eyes and hope gaze goes passing by this night

But all the while you hear the Potion master creepin' up behind

You're Out Of Time

[Chorus]

Cause this is Severus; Severus Snape

There ain't no second chance against man with hatred in his eyes

You know it's Severus; Severus Snape

You'll be scrubbing all your life inside a dungeon; a cauldron; tonight

[Bridge]

Curfew bell rings

And prefects start to walk where they're assigned

There's no escapin' the jaws of the dragon this time

(They're open wide)

This is the end of your life

He's out to get you, there's Dementor's closing in on every side

They Will de-soul you, devour all the happiness inside

Now Is The Time, *Expecto Patronum* just may save your hide

Cast through your fright, it'll save you from the terror of your dreams

I'll Make You See

[Chorus]

Cause this is Severus; Severus Snape

'Cause he'll detain you more than any other teacher would dare to try

Cause This is Severus; Severus Snape

So let's get running through the night; run from the Dementor, tormentor, terror of Severus here tonight

[Rap Performed By Voldemort]

Severus Snape stalks through the halls

The curfew hour so close it calls

To creatures all of ill intent

Mischief all and time to rent

And whosoever shall be found

With out a pass for being round

Must stand and face detentions hell

And clean inside the cauldrons shell

The foulest stench is in the air

The gunk of Longbottom's failures here

And Severus stalks in the room

He's closing in to seal your doom

And though you fight to still your flight

Your body starts to shiver

For no mere mortal witch can resist

The silky voice of Severus

[Into Maniacal Laugh, In Deep Echo]
