Chapter 1 of 1

A VERY sweet offering about our favorite Potion Master. Filking of The Candy Man from Willy Wonka and the Chocolate Factory.

Be warned. Have bucket handy.

The Potion Master sung to *The Candy Man* from Willy Wonka and the Chocolate Factory.

As always I don't own the original music or lyrics though I supposed I'd better own up to being the strange lady who wrote the filk. JKR owns everything Potter and in her debt we stand for giving us a fun world to play in.

Please note: Have something handy to wash your brain with.

Who can bottle glory?

Fame and fortune too?

Decant it in a bottle

And add *Veritaserum* too...

The potion man

The Potion Master can

The Potion Master can 'cause he understands the art and makes a powerful brew

Who will help the order?

Spying from inside

Hunting for the Horcruxes

So Voldemort will die

The potion man

The potion man

The Potion Master can

The Potion Master can 'cause he understands the art and makes a powerful brew

Professor Snape brews

Softly simmering stews

Potions to ensnare the senses

Getting past your mind's defences

Leaving all the fools defenceless

Who's loyalist of the loyal?

Hidden in plain sight

Separate your anger

Harry and win you just might

The potion man

Professor Snape can

The Potion Master can 'cause he understands the art and makes a powerful brew

The world will be saved 'cause the Potion Master sided with good
