A flik to Queen's Bohemian Rhapsody

Halfblood Prince Rhapsody

By Amanda Rose

Is this the real life

Is this just fantasy

Caught in the surprise attack

No escape from my destiny

Open your eyes

look up to the skies and see

There is a Dark Mark

Over the castle now

Because the Death Eaters

Have invaded

Flitwick has

Been sedated

Everywhere you look now

Students are fighting to be free

To be free

Minerva, just killed Albus
Put my wand against his head
Said "*Avada Kedavra*" now he's dead
Minerva, life had just begun
Now I've gone and thrown it all away
Minerva, ooh ooh ooh ooh
Didn't mean to make you cry
If we're not back again this time tomorrow
Carry on, carry on as if none of it really happened
Too late the time has come
Sends shivers down my spine
Bein' Crucio'd all the time
Goodbye all of Hogwarts
We've got to go
Got to leave it all behind and face Voldemort
Minerva, ooh ooh ooh ooh
I don't want to die
I really I wish I'd never taken the Mark at all
I see a little silhouette of the Mark
Severus Snape, Severus Snape, will you cast an Avada
Bright green lightening very very frightening me
Harry Potter, Harry Potter,
Harry Potter, Harry Potter,
Harry Potter, Gryffindor-under cloo-ak
I'm just a half-blood nobody loves me
He's just a half-blood with a Muggle daddy
Spare him his life from this monstrosity
Severus, I want you to do this for me now
Headmaster, I will not do this now, do this now
Headmaster, I will not do this now, do this now
Headmaster, I will not do this now, do this now
Will not do it now – Do it now
Will not do it now – Do it now
Will not do it now - Severus, please.
No,no,no,no,no,no,no
Oh, Mrs. Weasley , Molly Weasley, Mama Weasley, let me go
The Dark Lord has a put the devil into me
Into me
Into me
So you think you can stop me and flick a wand in my eye
So you think you can loathe me and leave me to die
Oh, Albus, why did you trust me, Albus
Just gotta get out Apparate right outta here
Nothing really matters
Anyone can see
Nothing really matters nothing really matters but Harry
Albus really did trust me
