Waltzing Severus,

To the tune of Waltzing Matilda, Rolf Harris version.

Once a surly Death Eater camped by the Forbidden Forest,

Under the shade of a Whomping Willow tree,

And he sang as he scowled and waited 'til his potions brew

"Who'll come a-Wand waving Severus, with me?"

Wand waving Severus, Wand waving Severus

Who'll come a-Wand waving Severus, with me

And he sang as he scowled and waited 'til his potions brew,

"Who'll come a-Wand waving Severus, with me?"

Along came Buckbeak to drink at the lake edge,

Up jumped the Potions master and grabbed him with glee,

And he smirked as he shoved that Buckbeak in his potions bag,

"You'll come a-Wand waving Severus, with me."

Wand waving Severus, Wand waving Severus

"Who'll come a-Wand waving Severus, with me."

And he smirked as he shoved that Buckbeak in his potions bag,

"You'll come a-Wand waving Severus, with me?"

Up ran Hagrid, mounted on his old broom stick,

Down came the Golden trio, Harry, Ron, Hermione,

"Where is Buckbeak, Is he in your potions bag?"

"You'll come a-wand waving Severus, with me."

Wand waving Severus, Wand waving Severus

Who'll come a-Wand waving Severus, with me

"Where is Buckbeak, What's in your potions bag?"

"You'll come a-Wand waving Severus, with me"

Up jumped the Potions master, leapt into the big cold lake,

"You'll never take me alive," snarled he,

And his ghost may be seen as you hurry by the old school lake,

Who'll come a-Wand waving Severus, with me.

Wand waving Severus, Wand waving Severus

Who'll come a-Wand waving Severus, with me

And his ghost may be seen as you hurry by the old school lake,

"Who'll come a-Wand waving Severus, with me?"

Thanks to my henchduck who encouraged me to do this madness.
