As Always I don't own the original music, the original lyrics, or anything Harry Potter except the books I've bought.

**Harry Potter**

---

I've been cheating on death since to Hogwarts I came

And I've made up my mind that I'll do it again

I just won't die, when will you ever learn?

I'm going to fly; then you we'll over-throw

There's a power I do not know

Just one Seer implied Harry's the thing

Then that Seer, she forgot everything, w-o-o-o-oh

Harry Potter, Seeker in the sky

Fly, fly, time to catch the Snitch now

Harry Potter, Seeker in the sky

Fly, fly, time to use that power now

Yes, Voldie's soul is separated  
The pieces to be disintegrated  
Fly, fly, time to use the power now  
Harry Potter, Seeker in the sky  
Fly, fly, watching all the Death Eaters fall.  
I've been cursed and nearly killed by your crew  
Yet I can count all the times that I've beaten you  
And when you die, I'll destroy your soul,  
You'll say good-bye, your Horcruxes all gone  
With the Order I am that strong.  
Just one Seer implied Harry's the thing  
Then that Seer, she forgot everything, w-o-o-o-oh  
Harry Potter, Seeker in the sky  
Fly, fly, time to catch the Snitch now  
Harry Potter, Seeker in the sky  
Fly, fly, time to use that power now  
Yes, Voldie's soul is separated  
The pieces to be disintegrated  
Fly, fly, time to use that power now  
Harry Potter, Seeker in the sky  
Fly, fly, watching all the Death Eaters fall.  
Harry Potter, it's the game we play  
Fly, fly, I was never in your thrall  
Harry Potter, Seeker in the sky  
Fly, fly, time to catch the snitch now  
Harry Potter, Seeker in the sky  
Fly, fly, time to use the power now  
Yes, Voldie's soul is separated  
The pieces to be disintegrated  
Fly, fly, time to use that power now  
Harry Potter, Seeker in the sky  
Fly, fly, watching all the Death Eaters fall.
