### **"Potion In The Cauldron"**

She was in the classroom – they say it was a little past nine

When her prince walked in – a black flowing cape

Her friends shoulda seen it comin' – it was only just a matter of time

Plenty old enough – and you can't stop love

She stuck a note on the hall door – "sorry but I got to go"

That was all she wrote – Minerva's heart was broke

That was all she wrote – so the story goes

*[Chorus]*

Now Ginnys in the commom room – starin' out the window

Scratchin' and a rackin' her brains

How could 18 years just up and fly away

Our little frizzy-haired girl has grown up to be a woman

Now she's gone in the blink of an eye

She left the potion in the cauldron

And the ink on the quill to dry

Now don't you wonder what Albus' gonna talk about tomorrow morn

Nothin' quite like this has happened here before

Well, he must have been a looker – smooth talkin' son of a gun

For such a grounded girl – to just up and run

Course you can't fence time – and you can't stop love

*[2nd Chorus]*

Now all the girls in the common room gossip goin' non-stop

Sippin' on Paradise Punch

How could 18 years just up and fly away

Our little frizzy-haired girl has grown up to be a woman

Now she's gone in the blink of an eye

She left the potion in the cauldron

And the ink on the quill to dry

*[3rd Chorus]*

She's got her pretty little bare feet hangin' off the broomstick

And they're headin' up to Glasglow tonight

How could 18 years just up and fly away

Our little frizzy-haired girl has grown up to be a woman

Now she's gone in the blink of an eye

She left the potion in the cauldron

And the ink on the quill to dry
