Draco makes an executive decision. DM/HP

"Wiltshire."

"What are you on about?"

"For a name—Wiltshire."

"Draco, I thought we decided on Andrew. You said you liked it."

"I've changed my mind. I like Wiltshire better."

"We're *not* naming our son *Wiltshire*!"

"Why not? It's perfect."

"No."

"Harry..."

"No!"

"Fine. Then we'll compromise. I've the perfect solution."

"... What is it?"

"Simple. We'll just combine *our* names."

...

"Draco, that's the stupidest idea you've had yet."

"No, it's not!"

"Yes, it is. That would give us a choice between Drarry Malter and Harco Potfoy..."

...

"Harry, I've made a decision."

"Have you."

"We're naming him Andrew."

"I like it."
