The Ministry of Magic denies the fact of Voldemort's return.

Secrets

Chapter 1 of 1

The Ministry of Magic denies the fact of Voldemort's return.

A/N: This poem is about the Ministry of Magic and how they deny Lord Voldemort's return. It fits best during OOTP. A special thanks to ladyinthecloak for the beta.

Secrets

Smoke and lies

In the dark of night

Faceless men

Hiding out of sight

Around every corner

Around every bend

Who can you trust,

Except your best friends?

Mind manipulation

No one can know

Tell no one what you saw

If you want to be let go

Secrets that they hide

They say are to protect

But really don't want you to know

The truths that they collect
