"Oh, yeah, Harry. Right there."

With a sigh, Harry shifted and continued moving.

"You moved! Go back!"

"Will you shut up, Malfoy?"

Draco sneered in annoyance, looking over his shoulder at Harry. "You need direction. Look at you! You're all over the place. It's--"

"It's... what?"

"Ooh... ah... You've hit the sweet spot. Don't stop now. Harder. More. Yessss."

"Shut it, you! The others are going to hear you."

"Who cares?"

"I care. I don't want them to know that... or to think..."

"Mmmmm. The sweet spot."

"Sssh!"

"Why so embarrassed? You're only scratching my back, you bloody prat."

"Exactly."
