

The Darkness Within

by Satai Delenn

This poem was just something I jotted down for some personal therapy (to get my negative emotions out). Please know that I only chose the Suicide/Suicide Attempt warning because this poem could be interpreted that way. This is NOT a suicide note.

The Darkness Within

Chapter 1 of 1

This poem was just something I jotted down for some personal therapy (to get my negative emotions out). Please know that I only chose the Suicide/Suicide Attempt warning because this poem could be interpreted that way. This is NOT a suicide note.

The Darkness Within

The blackness outside,
The darkness within.
Why do you bother?
You're never going to win.
You're boring,
You're ugly,
You're stupid,
You're lazy;
But worst of all,
You're just plain crazy.
I hate you.
You're worthless
Give it up!
It's so pointless.

You keep standing up,

I keep knocking you down.

Can't you take a hint?

You're not wanted around.

Go on!

Go away!

Get out of here!

Don't come back.

I've told you before,

I'll tell you again.

You're not wanted around.

You'll never win.

You know you'd be better off,

If you just left,

Just went,

Underground.
