There happens to be an observer on the Astronomy Tower... Rather mild (& humorous) smut.

Bob

Chapter 1 of 1

There happens to be an observer on the Astronomy Tower... Rather mild (& humorous) smut.

Bloody students. Oughta neuter 'em all. Up here all hours; I'd at least like a damned blindfold because it's not like a gargoyle ~~can~~ leave.

Damn. Another pair trying to inhale each other. Robes off; boy has a right skinny arse. *She* seems to like it--leaving claw marks. Good-sized breasts, looks like he's trying to eat *those*, too. Get a room, you perverts!

Oh, I know that expression. Well, least they won't stay long. Right. Part A, Slot B. Oh, my ears! Frantic movement. Merciful Merlin, almost over... Damn! my ears again.

They're leaving now. Fuck!

Um, g'night, Professors Granger-Snape!
