The Position Has Been Filled

Chapter 1 of 1

For the grangersnape100 'DE Fluff' challenge. Lucius gives some unnecessary advice.

"You need a woman, Severus," Lucius pronounced dogmatically from his armchair.

Severus glanced at him, amused. "Any woman? or someone specific?"

Malfoy sighed irritably. "You know what I mean. I must say, it makes a remarkable difference after a meeting."

"I'm sure Goyle would agree," Severus added drily. "He never wants the bloody things to end."

"His own fault," Lucius drawled. "We told him she was a harpy. No, you need someone with some conversation and an insatiable sexual appetite."

Smirking, Severus brandished a letter sealed with a small, neat 'G'. "I do believe the position has been filled, Lucius."
