*by earth\_fae*

A funny little poem I made up.

P.S. The last word isn't supposed to rhyme. It's part of the joke. A lot of people didn't get that when I told them, so I just wanted to clear that up.

*Chapter 1 of 1*

A funny little poem I made up.

P.S. The last word isn't supposed to rhyme. It's part of the joke. A lot of people didn't get that when I told them, so I just wanted to clear that up.
