Hermione meets the newest Weasley and has an important question to ask.

Drabble

Chapter 1 of 1

Hermione meets the newest Weasley and has an important question to ask.

“Raw?”

“Huh?”

“Her initials, Ronald. Didn’t you notice? Rose Alannah Weasley. R.A.W.”

“Bugger. I didn’t even think.”

“That’s even worse than A.S.P. Honestly, I don’t know what Harry was thinking.”

“Poor Al, he’ll be the only snake in Gryffindor. I figure Harry was trying to compensate for not being a Parselmouth anymore.”

“Honestly, after all the grief the two of you gave me over S.P.E.W., I would have thought you could manage to do a bit better in naming my godchildren. I can’t wait to get home tonight. Severus is going to get a huge laugh out of this one.”
