We all wear a mask. How do we appear?

I Am

Chapter 1 of 1

We all wear a mask. How do we appear?

I AM

Laughter,

It's all a joke,

Order a coke.

I wear a cloak.

I'm not what I appear....

Whispers,

A giggling cheer,

Buy the man a beer.

No one sees the tears.

I'm not what I appear....

Daytime,

Nighttime,

Anytime,

The one you see,

The one I am,

But,

I'm not what I appear....

Cat and mouse,

In and out,

A card house,

One breath,

There it goes.

I'm not what I appear....

Look in the mirror,

Same face,

Same hair,

Not a care.

I'm not what I appear!
