Lord Voldy's Servitude

(To the tune of Winter Wonderland).

Dark Mark burn, I can feel it

On my arm, it appeareth

It's time to go play, the Death Eater way

Being in Lord Voldy's servitude.

Bald of head, scary demon

His red eyes are a-gleaming.

I'll try not to vex

or me he might hex

Being in Lord Voldy's servitude.

From the Forest you can see the Castle.

Inside there's that old coot Dumbledore.

Harry Potter, Ron, and Her-mi-o-ne

Oh, that mudblood bookworm's such a bore.

Severus is a hottie

Lucius too, oooh they're naughty!

If their loyalties stray

They'll have to pay

Being in Lord Voldy's servitude.

Being in the Dark Lord's servituuuuude!
