Voldie got crushed flat beneath a wardrobe
Fixin' to curse Neville Thursday eve
You can say there's not much to shy Neville
But as for me and Voldie, we believe
He'd been nappin' in the sanctum
And he dreamed of pain-filled foes
But he did not count on rebellion
And left his protection up to schmoes
When the plotters snuck up on him
at the scene of the attack,
The snake snogger woke up slowly
A good thing the Lestranges had his back
Voldie got crushed flat beneath a wardrobe
Fixin' to curse Neville Thursday eve
You can say there's not much to shy Neville
But as for me and Sevvy, we believe

Ron and Harry got a shot in
'fore the plan went straight to hell
Macnair's ugly vase got shattered
And Sevvy got cruciod by crazy Bell
Wise Minerva heard the signal
But swift Neville got there first
While Hermione tackled Bella,
He fired off a quick Tantelegra burst
Voldie got crushed flat beneath a wardrobe
Fixin' to curse Neville Thursday eve
You can say there's not much to shy Neville
But as for me and Mione, we believe
Now, it's hard to get past ol' Voldie
His shield held, was much too big
It bounced that wee Tantelegra
The weak curse hit the wardrobe, which danced a jig
If you are a dark overlord, my
Simple message you should heed
Always give praise to your minions;
Don't pay attention to half-assed prophecies
Voldie got crushed flat beneath a wardrobe
Fixin' to curse Neville Thursday eve
You can say there's not much to shy Neville
But as for me and Smudger, we believe
Voldie got crushed flat beneath a wardrobe
Fixin' to curse Neville Thursday eve
You can say there's not much to shy Neville
But as for me and Voldie, we believe
