Chapter 1 of 1

This is a song about Mr. Filch sung to You're a mean one Mr. Grinch. Enjoy!

You're a mean one, Mr. Filch.

You really are a prat.

You are so very grumpy,

Never wore the Sorting Hat.

Mr. Filch

The only one who likes you is your

freaky little cat.

You're a monster, Mr. Filch.

You make the students cry.

Lurking round in corners,

Sending Norris out to spy

Mr. Filch.

What was Albus thinking when he hired you,

I wonder why?

You're a vile one Mr. Filch.

You are so easily miffed.

You have all the tender sweetness

Of an airsick Hippogryff.

Mr. Filch

Given the choice between the two of you

I'd take the airsick Hippogryff.

You're a sad squib, Mr. Filch.

There's NO magic in your mind

Your magic core does not exist

That's why you're so unkind.

Mr. Filch.

Maybe someday, just someday, your magic you will find.

You're a rotter, Mr. Filch.

You're the king of skulking 'round.

When students make excuses

You will always stand your ground.

Mr. Filch

You are the lowest, saddest, grumpiest, crabbiest, most unforgiving caretaker Hogwarts has ever found.

You are scary, Mr. Filch.

You haunt the days and nights.

Jumping out at Potter's friends

And giving them such frights.

Mr. Filch.

The only thing that is scarier is Voldemort in tights!
