Up on the Housetop with Voldemort

Chapter 1 of 1

Just a little Christmas fun

Many thanks to my beta Southern Witch 69. She has encouraged and corrupted me along the way. Also thanks to Ladyinthecloak, who I first bounced this idea off of. All mistakes are mine. Happy Christmas!

Up On the Housetop with Voldemort

Disclaimer: I own neither the world of Harry Potter nor the song Up On the Housetop. This is just a little Christmas fun.

Up on the housetop Dark Mark Glows

Out jumps evil Voldemort

Down through the chimney with sinister joy

All do fear his evil ploys

Ha ha ha who will die?

Ha ha ha who will die?

Upon the housetop Dark Mark Glows

Down through the chimney with Voldemort

First comes the hexing of little Ron

Oh, evil Voldemort, make him scream

Give him pain that will make him cry

Oh, the choice to scream or fly

Ha ha ha who will die?

Ha ha ha who will die?

Up on the housetop Dark Mark Glows

Down through the chimney with Voldemort

Next come the torture little Ginny

Oh, just see what horrific kill

First Imperio, oh, the shame

Then the Cruciatus with lots of pain

Ha ha ha who will die?

Ha ha ha who will die?

Up on the housetop Dark Mark Glows

Down through chimney with Voldemort
