*Chapter 1 of 1*

In my creative writing class, we had to write a poem and I thought I would post it on here.

My heart is tearing  
My eyes are tearing up  
You're so far away  
I can't hear  
Your heartbeat  
I just miss  
You so  
Without you here  
It's like the world  
Has stopped spinning  
You're the greatest  
Thing that has  
Ever happened to me  
I love you  
So much and  
Would do anything  
For you

I miss seeing  
Your face and  
Seeing you smile  
I wish I could  
Feel you holding me  
I love everything  
About you  
The way you smile  
The way you laugh  
The way you love me  
For who I am  
The way you care  
About me  
The way you make  
Me laugh  
You're as sweet  
As candy  
I miss how  
You taste  
I miss you  
Being right  
Next to me  
I'll always  
Love you  
Even though  
You're far away  
You'll always  
Be in  
My heart
