Death Eaters will do anything...

An unmanly squeal rang through the Auror Department.

"Don't be a baby, Shackbolt," a female voice cackled in spiteful amusement. "Constant Vigilance, remember? Death Eaters will do anything, you know."

"That was disgusting!" Kingsley's deep voice boomed out.

"Oh, you don't like women, then?" Bellatrix Lestrange asked as she was quickly lead through the room. "I licked an Auror because I'm Death Eater," she giggled at Tonks as they passed her, as if it was some sort of secret only to be shared woman to woman.

"If you laugh, you're fired, Tonks!" Kingsley said. "I need to wash my face."
