Dancing With the Staff

Chapter 1 of 4

First Place in Anything Goes Challenge's Multimedia Category! Photo manip

Inspired by prompt #17:

17. "Dancing with the Staff" Post Voldy, Dumbledore is alive and has been watching "Dancing with the Stars" on Muggle TV over X-mas hols. He decides to stage a competition at Hogwarts to celebrate the end of the war. One male and one female staff member from each House paired with one male and one female student from each house, mixed up of course in the interest of inter-House relations. Students and staff vote? Guest judges? You choose the pairings; my suggestions are of course SS/HG, but what about Trelawney and Draco (Trelawney could be newly "hot" and competitive after ditching her ditsy cover), Neville and Madam Hooch (who would lead??), Luna and Remus Lupin, or whatever you fancy.

Draco

Chapter 2 of 4

Animated photo manip

NOTE: This is animated, so it may take a few minutes to download completely.

I couldn't resist making this one. As per the prompt, Professor Trelawney drops her ditzzy cover after the war ... and turns into a hottie! Draco seems pleased with the change. And yes, that is Emma Thompson in both manipulations. For details of prompt, see Chapter 1.

Neville

Chapter 3 of 4

Another couple competes.

NOTE: Continuing on with the series! Following the prompt, Neville was partnered with Madam Hooch.

Luna

Chapter 4 of 4

Luna and Remus

Note: This is the last in the Dancing With the Staff series! As always, I just followed the prompt. ;) Remus is feeling *much* better since the end of the war. I think he's taken up weight lifting.
