"True, but it *is* mine."

"Seven... Given you twenty good years of my life, you know."

"Funny, I'd say the same to you."

"Eight... *You're* the one wants out."

"Irrelevant. The contract states that these monies revert to me under *any* circumstances of termination."

"Nine... What'd *you* do that's so bloody valuable?"

"Everything your mum did *and* worked full-time. Cough up, Ron."

"Ten... Can't believe you're taking 10,000 Galleons dowry and giving it to that... *mummified arse*."
