Chapter 1 of 1

Luna Lovegood is admiring Lucius Malfoy's stick.

This was for Ladyinthecloak. She wanted an explicit LuLu encounter.

Lucius smiled as Luna sat beside him, stroking his stick lovingly. "It's so big. I imagine that it's hard to manage."

"Not really, my dear. After all, I have had it for quite a long time."

"It's the biggest one I have ever seen. And such a pretty colour." She smiled up at him, her innocent eyes meeting his gray ones.

Lucius smiled back at her. "Well, the Malfoys always have the biggest and the best. Surely, you know that by now."

"I saw Draco's. His wasn't nearly as big as yours is."

"Well, Draco is younger than I am. His shouldn't be as big."

Lucius was tiring of all the attention she was giving to his stick. He wanted to get on with business, and get on with it quickly.

"Well, now, Luna. Surely you didn't come here to admire my walking stick. Tell me, do you have a message for me?"
