

The Lucky Penny

by i lust snape

Pennies are supposed to be lucky...

Luck

Chapter 1 of 1

Pennies are supposed to be lucky...

Ted was walking home from the bar with his friend Tim. They were walking along the side of the road, talking. Suddenly something glistened on the ground, catching Ted's eye. He stooped over and picked up the penny.

"Wow, this really is my lucky...."

"That's when the bus hit him," Tim said to Ted's widow.
