Two Heads are Better than One

Chapter 1 of 1

My small attempt at smut. More stories following this will come.

Hermione gasped, holding the two heads to her. The twins crouched between her legs, alternating the strokes of their tongues to her sensitive clit. Fred looked up at her naughtily and sucked her clit into his mouth at the same moment that George thrust his tongue into her, eliciting a hoarse cry of pleasure from Hermione's throat. Fred chuckled, and the vibrations caused Hermione to moan, sinking her fingers even further into their heads. George rose up on his forearms and grinned mischievously down at her. "Well, Herms, were we right?"

"Mmm, yes. Two heads are definitely better than one."
