Breaking the ice

Chapter 1 of 1

Hermione and Charlie break the ice.

“What came first the dragon or the egg?” Hermione read the question on her note card and groaned as she looked at her partner, whose face lit up at the topic.

“Well, working on the reservation, I have gotten really close with dragons and have studied them most profusely...”

“Charlie.”

“Yeah?”

“Shut up!” she stated as she curled her hand around the back of his neck and pulled him in for a delicious kiss. The stunned wizard never knew what hit him. And Hermione quickly decided that Albus’ ridiculous icebreaker parties for the Order might actually be a good idea.
